END OF DAY 2

Presentation of the Partners

The presentation of the partners is key, and need to focus on their involvement in the project. It will be distributed over the sessions as specified in the below table.

Requirements are:

* The project members will present themselves in **3 slides and 3 minutes total** with a focus on:

- 1) Brief description of the partner and the expertise it brings to the project.
- 2) Role and main activities in the workplan.
- 3) Team members.

** The linked third parties will be mentioned in their corresponding partner presentation without additional time or slides.
